

**FERPA (Family Educational Rights and Privacy Act)**

In accordance with General School Regulations art. 66:

In connection with the protection of personal data, the University does not disclose information about students and their academic progress to third parties (including parents) without the student's formal, written consent.

The persons responsible for the procedures on handling and protecting personal information at the University are the President and the appointed Administrator of Personal Information.

Financial Aid Information Disclosure consent form is available at:
